

Tamerica TCC230 9 in. Pouch Laminator Model: TCC230

- Maintenance-Free
- Easy to Use
- Quiet

The Tamerica TCC230 is a robust laminator that pairs ease of use with heavy-duty features. It offers users maintenance-free operation with a smooth, quiet motor and high-impact, all-metal construction. The TCC230 is perfect for small offices, because it can laminate documents up to 9" wide using pouches up to 10 mil in thickness with minimal user adjustments. It also features a one-year warranty period.
