

Tamerica TCC6000 13 in. Pouch Laminator Model: TCC6000

- Heavy-Duty
- 6-Roller Machine
- 1-Year Warranty

The Tamerica TCC6000 is a robust laminator that pairs ease of use with heavy-duty features. It offers users maintenance-free operation with a smooth, quiet motor, six internal rollers, and high-impact, all-metal construction. The TCC6000 is perfect for professional environments, because it can laminate documents up to 13" wide using pouches up to 10 mil in thickness with minimal user adjustments. It also features a one-year warranty period.
