RENZ Quality Protection!

RENZ is continuing their reputation of offering the highest quality products on the market with protective equipment using only the highest manufacturing standards.

- **Full Face Protection** (mouth/nose/eyes)
- **Comfortable to Use** with soft forehead pad
- **Easy to Adjust** elastic band
- **Move Head Freely**
- **Use With Eyeglasses**
- **Does Not Fog** see detail easily
- **One Size Fits All**
- **Change Mask Easily** without removing face shield
- **Replacement Shields** available in packs of 10

This is not medical equipment. Used alone it is not sufficient to protect from infections. The additional use of a surgical mask is highly recommended.

Easy Replacement and Adjustment

Replacement Shields

- For use with RENZ Protective Face Shields *only*
- Sold in Packs of 10
